*The Heart of a Warrior West* at the scenic YoungLife's *Trail West* is our weekend conference initiative designed to take a man into his deep heart and intimate encounters with God.

We have three main objectives: help a man get his heart back, teach him how to fight, and show him where the battles are. **It is a fierce journey for every man, but one that desperately needs to be taken.**

Join the squadrons of men who are hungry and thirsty for more—the **Kingdom needs more men who know what it is to walk deeply with God**. Come join us and be one of the men who is seeking and finding more ... there is more!
