

CONFERENCE PRAYER

Heavenly Father, Lord Jesus, Holy Spirit, we rejoice in all that you are doing and will do in and surrounding this retreat. We praise your name and give you glory and honor for who you are. You are glorious. We stand together now in the name of Jesus to bring the Kingdom of Christ over the speaker team and the whole of the conference team and over their families. We bring the Kingdom of God and the work of Christ over their lives and over this great mission. Fill the team with Your Spirit, your strength, your love, your glory. Let Your Kingdom come now and fill *The Heart of a Warrior Encounter* in every way. Come for every man.

We bring the full work of our Lord Jesus Christ now over this mission. We bring the fullness of the Cross, the Resurrection, and the Ascension of Jesus Christ against the kingdom of darkness and all that is set against the team, their families, the men attending and this mission of freedom. By and through the great work of Jesus Christ, we cut off all foul spirits, foul powers, and foul devices, every enemy set against the team, the men, and this mission. We bind them, in the name of Christ, from the team, their families, the men attending, and from this entire mission in the name and authority of Jesus Christ. We declare, announce, and proclaim the glory of God over this weekend, each man attending, and over the work of God here. Holy Spirit, come and fill these men in every way, prepare their hearts ... open their hearts and minds, arrange for their receiving. Open the deep places within them, fill them with your love, strengthen them by your Spirit to receive all that you have for them. Give them all eyes to see and ears to hear, give them open hearts and minds. Come and heal, Holy Spirit. Come and set free. Restore your men. Establish them. Affirm them. Guide them and direct them to healing, to freedom.

We bring the Kingdom of God and the full work of the Lord Jesus Christ against all the spirits and the warfare of the nations represented at this event. We proclaim our citizenship is in Heaven. The Kingdom of God is an everlasting kingdom, we belong to God in the name of Christ, and we claim the love and protection of His Kingdom against any and all forces opposed to our freedom. We forbid the warfare set against each man on the Zoweh team and all those attending *The Heart of a Warrior Encounter*. We pray against generational sin, we pray for the revealing and healing of the wounds, vows, and agreements of each man on mission. We pray against and prohibit the enemy's attempts to compromise this mission in any way. Greater is He who is in us than he that is in the world, and we claim the victory of this weekend, the turn of the tide in battle for each and every man who is a part of this conference. We forbid shame, guilt, and fear ... diminishment, depression, discouragement, anger, anxiety and sadness ... we pray against sexual sin, spirits of lust, adultery, sexual abuse, and any form of sexual sin to come against this conference team, the men attending, their homes, families, or this mission in any way.

Father, we rejoice in all that you have done, are doing, and all that you are about to do in the hearts and lives of all those associated with this mission. Come in glory. Come in tenderness. Come in power and authority. We stand together to declare your glory and greatness over this event, and over the team bringing it.

Come in your fullness, God. We proclaim Love and Life, Healing and Freedom over this weekend. We call in your blessing and your provision for this weekend. We worship you in and over the whole of *The Heart of a Warrior Encounter West*. We pray and proclaim all this in the name of our Lord Jesus Christ, our Savior, our Shepherd, and our King!

Amen and AMEN!
