

## CONFERENCE PRAYER

Heavenly Father, Lord Jesus, we rejoice in all that you are doing and will do in and surrounding this retreat. We give you glory for it. You are glorious. We stand together now in the name of Jesus Christ to bring your Kingdom over the whole Zoweh team, each one of them and over their families. We bring the Kingdom of God and the work of Christ over their lives and over this great mission this during this weekend. Fill the conference team with your Spirit, your strength, your love, your glory. Let your kingdom come now and fill all of this conference in every way. Come for every woman's heart.

We bring the fullness and work of our Lord Jesus Christ now over this weekend mission. We bring the Cross, the Resurrection and the Ascension of Jesus Christ against the kingdom of darkness and all that is set against the team, their families, and this mission. By and through the work of Jesus Christ, we cut off all foul spirits, foul powers and evil devices, every enemy in the spiritual realm set against this weekend or the women attending. We bind the enemy from the team, their families, and from this entire mission in the name and authority of Jesus Christ.

We declare and announce the glory of God over every aspect and dimension of this retreat, over the Zoweh Team, and each woman attending and over the healing and restoring work of God here. Holy Spirit, come and fill these women in every way. Open their hearts and minds. Open the deep places within them. Fill them with your love. Strengthen them by your Spirit to receive all that you have for them. Give them eyes to see and ears to hear, give them open hearts and minds. Come and heal, Holy Spirit. Come and set free. Restore your beloved women. Establish them. Affirm them. Guide them and direct them, Holy Spirit.

We bring the Kingdom of God and the full work of the Lord Jesus Christ against all the spirits and the warfare over the hearts represented at this event. Our citizenship is in Heaven, and the Kingdom of God is an everlasting kingdom. We stand firm, resist, and forbid the warfare of the kingdom of darkness to come against this team, or their families, those attending, their homes and families, or this mission in any way.

Father, we rejoice in all that you have done, are doing, and all that you are about to do in the hearts and lives of those associated with this mission. Come in glory. Come in tenderness. Come in power and authority. We stand together to declare your greatness over this event, and over the team bringing it. Come in your fullness, God, both strength and beauty. We worship you in and over this retreat. We pray all this in the amazing name and incredible power and authority of our Savior and our King, our Lord Jesus Christ, the one who set us free.

In Jesus' name we pray ... *Amen!*
