

DANGEROUS
FOR GOOD
MEN'S SUMMIT

DISCOVER WHO YOU ARE, WHERE YOU ARE,
AND **THE GOOD** THAT GOD IS UP TO IN YOUR LIFE

A Dangerous For Good Men's Summit is designed to be a catalyst event for the hearts of men in your church or community, inviting them to encounter God in a way that validates and initiates them along their masculine journey of becoming more oriented men.

We believe that if men are part of the problem, then men can be part of the solution.

Unless you learn the art of war and take your place on the front lines of the kingdom conflict, you're vulnerable to their tactics. You must learn how to protect your heart (Proverbs 4:23) and then the hearts of those given you to love. Otherwise you, and certainly they, will come under the subtle control of the kingdom of darkness, whose favorite way to fight is covert.

Michael Thompson, *King Me*

Vision: We believe there is a movement of God in the hearts of men, to redefine Kingdom masculinity based not out of a posture of “doing more and being better,” but rather from a place of intimately walking with the Father.

Mission: To encourage and equip men to walk intimately with the Father and with each other, to move toward the redemption of generational masculinity for the healing of all men, women, marriages, and families.

Strategy: To initiate a catalyst event in the hearts of your men by (1) journeying together into wholeheartedness and orientation, and (2) equipping your men to continue their journey by walking intimately with the Father and with one another.

You don't have to send your men away to the mountain top. **You can bring the mountain top to your men.**

Dangerous For Good Men's Summits create a unique space for men to personally connect with God while discovering the truth about their identity.

These events also offer a powerful opportunity for the men in your community to experience meaningful connection with each other, with lasting effect.

Overcoming evil with good—that is the job of a good king. It is our Father's invitation to us. And a heart free to accept and fulfill that invitation becomes a man **Dangerous For Good.**

Designed to take place in two half-days or one full day, a Dangerous For Good Men's Summit is made up of four conference sessions (including time alone with God after each session), a close out rally to launch your men into next steps, and time for men to share meals together.

Our suggested admission fee of \$50 and minimum of 200 men covers:

- One book per attendee at a minimum of 200
- Any meals for attendees
- Honorarium to our team
- Percentage of profit for host

The next steps after a DFG Summit is to move your men into small groups, telling their stories going through *The Heart of a Warrior* and/or *King Me*, and prepare them to journey together to the next *The Heart of a Warrior Encounter* weekend.

A Dangerous For Good Men's Summit brings the energy and experience of *The Heart of a Warrior Encounter* weekend to the men in your church or community to invite them into deeper friendships and more intimate community through a shared journey of discovering who they are, where they are, and the good that God is up to in their lives.
